

# GOLF + TRAIN

## ANOTHER WAY TO PLAY GOLF

**Golf + Train** is our new way to go and play golf in Italy. **FRECCIAROSSA** & **ITALO** are the two fast trains of the Italian railway system, taking you all over the country in a short time *whizzing* at 300 kmh (186 mph). Imagine that, from Milan to Rome, it takes less than 3 hours, while the journey from Florence to Rome lasts 90 minutes! Used in a golf vacation means to explore other regions, other towns.

Let's start with Milan and Bologna. Here are our proposals:
